## Professional Experience

MERN Stack Developer Intern

EIBO Software and Development Hub                                         Gwalior, Madhya Pradesh

*45 days Internship* certificate

- Developed and maintained full-stack web applications using **MongoDB, Express.js, React.js,** and **Node.js**
- Gained hands-on experience in database design, server-side development, and frontend optimization

Technologies Used: MongoDB, Express.js, React.js, Node.js, JavaScript ES6+, RESTful APIs, HTML5, CSS3, Bootstrap

## Technical Skills

- **Web Technologies:** HTML5, CSS3, JavaScript (ES6+)
- **Frameworks/Libraries:** Bootstrap, React JS, Tailwind
- **Backend Technologies:** Node.JS, Express JS, MongoDB
- **API's:** RESTful API development, Postman for API testing
- **Programming Languages:** Java (with Data Structures and Algorithms), C++
- **Version Control:** Git, GitHub, Vercel, Render.

## Education

**Bachelor of Technology (CSE)**                                                Expected 2026

IPS College of Technology and Management                                         Gwalior, India

**Intermediate(12th) | MP Board**                                                2020-2022

Govt. Gorkhi Hr. Sec. School | 78.8%                                             Gwalior, India

## Projects

**Resume Expert | Live Link**

- Built a resume builder web app with templates selection, real-time preview, cloud storage and **PDF export**
- Developed backend **REST API's (Node.js + Express.js)** with **MongoDB** for scalable data handling.
- Integrated authentication and tested **APIs** with **postman.**
- **Tech Used: React.js, Node.js, Express.js MongoDB, Tailwind**

**Ecommerce Website | Link**

- Designed and develop a fully functional e-commerce website with user authentication, product management, and dynamic cart system.
- Integrated **MongoDB** for robust and scalable data storage, managing products, users and orders efficiently.
- **Tech Used: React.js, Node.js, Express.js MongoDB, Bootstrap**

## Achievements

- C++ Training: In this training session I got much knowledge of programming skills and concept on problem solving skills like Data Structure's and Algorithms. certificate
- Solved 100+ Coding Problems on **Leetcode** showcasing exceptional problem-solving skills and proficiency in algorithmic thinking LeetCode Profile
